

Cremation WITH **CONFIDENCE**

10-Step Guarantee

1. Code of Ethics

We have strict procedures and ethics that we adhere to, and because we own our own crematory, you will have the comfort of knowing your loved one never leaves our care.

2. Cremation Record

A personal identification card is placed with your loved one the moment they are brought into our care. Their name, along with other pertinent information, is entered into our permanent Cremation Record.

3. Safeguarding Personal Identity

A numbered stainless steel identification tag is placed with your loved one. This number is logged into our Record and will remain with them throughout the cremation process.

4. Family Viewing

If desired, we can schedule a specific date and time to provide families with an opportunity to say good-bye to their loved one in a quiet, intimate environment. (Additional fees apply)

5. Checks and Balances to Ensure Correct Paperwork

Three separate parties: a licensed funeral director, family member(s) and the crematory technician, will review cremation paperwork and required permits.

6. Thorough Communication with Crematory

Prior to the cremation, we can secure a specific date and time for your loved one to be cremated, allowing the family to attend and witness this if they so desire.

7. During the Cremation

The numbered stainless steel tag issued by the crematory is present with your loved one during the cremation process.

8. Details After the Cremation

After the cremation is complete, the cremated remains are kept secure, along with the stainless steel identification tag and permanent Cremation Record.

9. Celebration of Life

When you choose cremation, you have many options for honoring your loved in a meaningful way. We can assist you in planning a personalized memorial ceremony either before, or after the cremation.

10. Return of the Cremated Remains

Following the Celebration of Life, if the remains are not to be taken to a cemetery, and are to be returned to the family, a photo ID will be required from the family member receiving the remains.
